

Outdoor Perfect

Arcoroc is proud to offer a new evolution in drinkware: Outdoor Perfect. Designed specifically for professional use in outdoor and glass-free environments, Outdoor Perfect is created in BPA-free SAN plastic for venues such as pool decks, spas, rooftop bars, and nightclubs.

Outdoor Perfect uses the classic lines of Beaming for a range of mixers, highballs and old fashions. The 14-piece line is further complemented by a complete range of cocktail, beer, wine and beverage service pieces designed to withstand rigorous outdoor use.

SAN Plastic provides durability, clarity, and attractive pricing without sacrificing Arcoroc's professional foodservice requirements, including 2,000 dishwashing cycle performance, water vents on the sham for drainage, and elegant indoor/outdoor style.

Outdoor Perfect is made from a fully recyclable material, and is far kinder to the environment – and the budget - than disposable plastic ware often used in glass-free environments. We invite you to order a sample today and see for yourself how Outdoor Perfect can be the ultimate solution for your pool and rooftop dining venues.
